

**Harken's Landscape Supply and Garden Center, LLC** supplies only the finest quality, hardy nursery stock raised for our own growing zone (5). Our stock is state inspected, to assure you of the healthy plant materials that are free of pest and disease problems. However, due to digging, shipping, handling, etc., some plants, no matter how careful all of us are, may not survive.

Because of this, we guarantee retail sales of our shrubs (including roses), trees, ornamental grasses and perennials (for Zone 5) for one full year from date of purchase, at 100% of the purchase price with a one-time replacement, if planted and cared for according to Harken's recommendations. Harken's Landscape Supply and Garden Center, LLC does not guarantee plants against extreme weather conditions or mechanical injury resulting from lawn mowers, weed eaters, animals, etc. Free guides and planting instructions are available at our information center for your convenience. Be sure to ask our trained horticulturist and knowledgeable staff for any additional information you may need to make your landscape and/or gardening experience a pleasant one. Please feel free to ask for assistance.

For credit on nursery stock items, THE PLANT MUST BE RETURNED WITH YOUR ORIGINAL CASH REGISTER SALES RECEIPT FOR CREDIT REDEMPTION.

Harken's Landscape Supply and Garden Center, LLC does not guarantee annuals, arborvitaes, water plants, tropical, fruit trees and plants, or mums. WARRANTY IS NOT VALID ON ANY CLEARANCE OR SALE ITEMS.

We want to make your growing experience a successful and enjoyable one, so please ask us for any additional information that may be helpful.
